

MONTE VISTA MESSENGER

OCTOBER 2010

VOLUME 7, ISSUE 2

Hello Parents,

We want to thank all of you that contributed to our fundraising cookbook. We ended up with 500 recipes and sold just under 500 books. The books are at the publisher and should be back in time for Christmas delivery.

Student directories will be distributed to all PTA members within the next couple of weeks. If you aren't yet a member and would like to join, you may contact Tiffany Pecoraro. Her info is on the PTA page on our website.

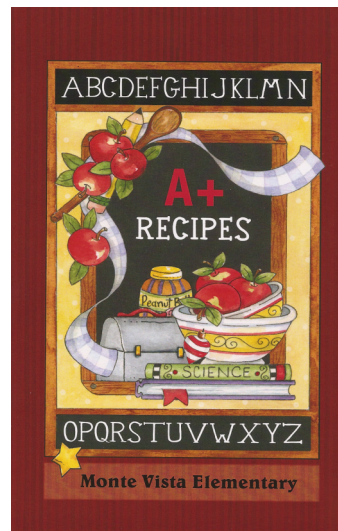

We would like to continue to reduce the number of flyers we send home with the students while still keeping parents informed as to what is going on and what activities are coming up. I would like to encourage you to check our website daily, even set us as your homepage so we can keep you informed. Sometimes things come up quickly and we don't have enough time to get flyers made, copied and distributed in time for parents to act. However with the website, we can post the information daily, if needed.

We still have some important board positions open. One in particular is President-elect. This person will be the President for the 2011-2012 school year. We cannot have a PTA without a president and treasurer. If you have any interest in being President next year, this is the time to get involved so you can see what is happening this year and get some "on the job" training. Even if you don't want to commit at this time, you can check it out without committing. There are big and small positions available for everyone who wants to be involved and share their ideas.

Please check out the website at www.mvemustangs.com and let us know if you have any suggestions to improve it.

Thank you for your support,
Kristine Supoto

LEGISLATIVE HIGHLIGHTS

The PTA on both the national and state level is an active voice in regards to legislation, administrative policies and regulations. From universal kindergarten to a juvenile justice system—National PTA advocates have been at the heart of our nation’s greatest advances for youth. Today, we speak up for family engagement language in laws; safe, healthy, and technologically advanced schools; and equal opportunity for all children, regardless of their socioeconomic background. Utah PTA resolutions are formal statements that have been approved by the Utah PTA Convention delegates and are the official policies of the organization. The Legislative Directives are based upon the actions called for in our current resolutions. As a PTA member you have an active voice in public policy. For more information visit the State PTA and National PTA websites.

A meet the candidates night is being scheduled just for your area with just your candidates. It will be held at Eastlake Elementary and the **tentative** date is Thursday October 21st from 6:30-8:30pm. A letter closer to the event will be coming home with your student. Please make a point to come and get to know the candidates before you vote in November.
